John 6:60-71

1. Are Jesus' teachings hard to accept?
2. Do you understand Jesus' teachings?
3. How will you respond to Jesus' teachings?
4. Do you confidently hold to the truth?

Jesus' teachings divided then, and they divide now.

As His followers, we must boldly proclaim His teachings to the world, in word and deed, for without this, Christ-centered leadership cannot exist.
